- Platinum package
- Gold package
- Silver package
- Standard package

- I wish to participate in the Forum Laboris (no additional cost).
Information on how to participate will be provided in the future.

Forum Laboris is an event connected to EAA conferences / summer schools to provide young acousticians the opportunity in getting to know and establishing connections to different kinds of employers. Forum Laboris aims to connect potential job seekers / interested young acousticians and employers by providing first and also more detailed insights into work at, e.g., companies, universities, etc.
